

# Invite God In

## CONGRATULATIONS!

Your participation in this course has opened the door to experiencing more of God in your life.

These series of exercises are very effective and can be used over and over again as a continued practice, they can be revisited as a reminder, or fortify your sense of God through taking action.

Thank you so much for saying yes to more of God's presence in your life. The more I have personally invited God into my life, the better things have gotten. It is this deep truth that has caused me to do all I can to help others strengthen their relationship. There is no surer more loving way to enjoy life than with the presence of God in it. The more you gain, the more people around you will be positively impacted. It's just one of the many miracles I've seen God perform over the years.

It is my absolute joy to be of service to you and to know more about your experience.
